Recommendation

**Daren Mortenson** Feb 1

To Gary Couillard

I have used Gary Couillard as an expert economist in several injury cases. He has provided comprehensive written expert reports and excellent sworn testimony on behalf of my clients. Gary's expert reports are second to none in quality and thoroughness. At a recent deposition, the opposing attorney commented that Gary's economic loss report was the most easy to read and understand of any of the literally hundreds of such reports the attorney had read over his many decades of practice. Gary is very experienced and always well prepared. I would recommend Gary Couillard without reservation.
